

REV. WILLEM J.J. GLASHOUWER
President, Christians for Israel International
Honorary President, European Coalition for Israel

Willem J.J. Glashouwer was born in the Netherlands in 1944 into a Dutch Reformed family that was active in the Resistance Movement. His father was a well-known Dutch Reformed pastor, who was imprisoned several times during World War II, and was actively involved in hiding Jews.

After completing his classical High School Education at the Gymnasium, he studied Theology at the Universities of Groningen and Utrecht, where he received his theological degrees, and was ordained as a minister in the Dutch Reformed Church in Holland.

For 20 years he served as a producer, host and finally executive director of the Television department of the Dutch Evangelische Omroep (Evangelical Broadcasting Company). He was one of the pioneers who established this broadcasting organisation in Holland, which is now part of the State Broadcasting system of the Netherlands, and one of the largest broadcasting companies in the country.

Following a major brain-surgery (in which a very large brain tumour was removed) he became full-time minister of a 2500-member church in Katwijk, Holland, which he served for 7 years.

Rev. Willem J.J. Glashouwer served for over 12 years as the Chairman of the Dutch organisation 'Christenen voor Israel'. In July 1999 he became full-time President of Christians for Israel International, which now has branches in Holland, Belgium, Germany, Austria, Kenya, UK, Singapore, Canada, Australia and New Zealand, and connections with many other countries. In 2004 he was elected as Chairman, and in 2008 as Honorary President, of the European Coalition for Israel (see www.ec4i.org).

Rev. Glashouwer has published several books, articles and Bible Studies on Israel, including the book *Why Israel? Understanding Israel, the Church and the nations in the last days*. This book has been published in quite a number of languages.

Willem has been married to Marianne for over 40 years; they have 4 children.
